## **Terms and Conditions**

Every attempt has been made to keep these terms to a minimum and rely on the application of common sense.

Fees are to be paid at the beginning of each term by the stated time on the invoice.

Invoices must be paid correctly. The amount on the invoice is the amount to pay. Failure to do so may result in admin charge of £5.

Notice: A place is allocated to your child for the following term unless you have stated in writing/email otherwise in the previous term. You will therefore be charged accordingly.

Any outstanding invoices after 15 days may be subject to an accounts charge to the value of 10% or £10 whichever is greater per month. This is to cover interest and the addition administrative work involved.

No refunds will be made to students missing a lesson. Holidays cannot be deducted from an invoice.

A trial period of three lessons, payable at each lesson is available to allow a student try without a commitment.

If a class has to be cancelled due to unforeseen circumstances such as severe weather, you will be notified by a text message or email. The text message will be sent to the contact number given in the application form. Please ensure that that number is kept updated.

It is expected that students will behave and not disrupt lessons or act in a way which may spoil the enjoyment of others. Failure to do so may result in exclusion and in this case no refund will be given.

For safety reasons any potential dangerous jewellery must be removed or covered and no eating or chewing of gum is permitted.

Whilst every effort is made to secure the premises, students have responsibility for their property.

Dancing is a physical activity and as with any physical activity there is an element of risk. Students take part at their own risk.

All medical conditions that might be affected adversely by undertaking the class must be reported. Should the student be at risk of requiring urgent medical attention, an appropriate person should be available at all times to administer such attention.

From time to time video recordings may be made either for parents or relatives enjoyment or for promotional purposes. If you do not wish for you or your child to appear in such videos, please advise Lets Dance UK Ltd
